Does a Satanic Cult Control the World?

March 25, 2019

We are still living off the twilight rays of Western Civilization, which was based on Christianity.

Henry Makow's baby steps. This article from 17 years ago shows the young (age 52) Henry hot on the trail of the God-hating central banking cartel which is enslaving humanity.

"Some of the biggest men in the United States, in the field of commerce and manufacture, are afraid of something. They know that there is a power somewhere so organized, so subtle, so watchful, so interlocked, so complete, so pervasive, that they better not speak above their breath when they speak in condemnation of it." Woodrow Wilson, The New Freedom (1913)

by Henry Makow PhD.

(Updated from Oct 21, 2002)

Did you know that a "terrorist" started World War One by killing the heir to the Austrian throne? The terrorist was a Freemason. Most wars are engineered by the Illuminati to weaken civilization and create a global police state, the "New World Order."

We need to see current events in a new way. The conflict is NOT between countries or religions or "civilizations."

The conflict is between the people and most of our "leaders" -- government, media, religion, military, education and business -- who owe their position to this extremely powerful and evil cult. They are traitors.

Who is the Illuminati? We are still living off the twilight rays of Western Civilization, which was based on Christianity. Civilization is always based on religion, an ideal. Christ taught that God is Immanent and His Plan is to manifest Himself through His Creation. We must do His will rather than pursue our own selfish desires. Kings derived their authority from God and were answerable to Him.

The Jewish Pharisees rejected Christ. They practised a naturalistic religion that turned Christ's message on its head. Man is God, rules the universe, and defines reality. We can indulge our desires. Dating back to Zoroastrianism, the Jewish Cabala reverses the roles of God and Lucifer and embraces occult symbols, rituals and blood sacrifices.

This is the Cosmic Struggle between Spirit and Matter: God will be Immanent; Matter will resist. This is the conflict between God (the view that man is unfinished and dependent on Divine revelation) and Lucifer (denies God, pretends man is god.)

The Cabalists secretly dedicated themselves to destroying Christianity and Western civilization. In 1773 Amschel Mayer Rothschild convened a meeting of 12 prominent Jewish bankers and other prominent Jewish personalities and submitted a programme to level the social order using the contradictory promise of "liberty" and "equality."

THE 'ILLUMINATI'

In 1776, they had Adam Weishaupt organize the Order of the Illuminati, which merged with Freemasonry in 1782. Freemasonry is Cabala and, in the words of Andre Krylienکو, (*The Red Thread*) it was "launched for the purpose of enlisting non-Jews consciously or unconsciously in the service of Jewry." (p.93)

The Illuminati was behind the revolutionary movements of the 18th -- 20th Century as well as their respective reigns of terror. The bankers used their power to spread their Satanic convictions. They had finagled a monopoly on credit (usurping the government's right to create money) and they needed to control the world in order to protect this prize.

Their influence on world history can be seen in the story of the red hexagram, commonly known as the "Star of David." According to researcher Fritz Springmeier, the Star of David

was not associated with Jews until the Rothschilds adopted it as their symbol in 1822.

The Rothschilds were considered the leaders of the Jews but I don't know if the Jews knew the Rothschilds were Satanists. The Star of David is really "The Seal of Solomon," an occult symbol for the Satanic. Solomon worshipped the star "Astareth."

Before we feel smug, the Great Seal of the United States is also a Masonic symbol. According to Eustace Mullins, the top of the pyramid is missing to indicate that they have not yet put into operation the final stages of their conspiracy. "The eye represents that Great Architect of the Universe, a cabalist concept; it is enclosed in a triangle which is the symbol of magic. The thirteen steps refer to Satan, Belial and rebellion..." (*The Curse of Canaan*, 141) The inscription "Novo Ordo Seclorum" means "New Secular Order."

Mullins says the leading international bankers were motivated by freemasonry: "From the year 1776, Freemasonry has been an omnipresent international government operating treasonably from within the United States, and it has

exercised those powers ever since." (140)

Without fanfare, Freemasonry is being introduced as the New World Religion. We are being brainwashed with it every day. So you need to know that:

- Freemasonry is a religion that believes Lucifer is the "God of light and God of good, struggling for humanity against Adonay, God of darkness and evil."
- It is a secret society that demands adherents swear blind obedience on pain of death before they even know what it represents.
- It practises deception. It reserves its truths for the adept; the initiate is "intentionally misled by false interpretations."
- It preaches "tolerance" and the universality of all religions in order to negate them all. Christianity is especially abjured. "Universality does not mean Christianity."
(Quotes from Masonic Texts from Gary Kah, *En Route to Global Occupation* pp.120-140)

Freemasonry is taught to your child. For example, a survey of schools in my city shows that 75% no longer use the word "Christmas" to describe their holiday season festivities. Instead, Christmas has been replaced with such jargon as "winter concerts" and "international celebration of holidays."

The Christmas tree at the Legislature was renamed "multicultural tree" until a storm of protest forced the politicians to relent.

"We have to abandon our culture in order to respect everyone else's? It's kind of silly." one parent complained.

But this is exactly the agenda: To destroy Christianity, just as they have destroyed empires, nations, heterosexual identities and nuclear families. The agenda is to strip people of power and identity leaving us defenceless in the face of one-world tyranny.

The lesson of this story is that God is indispensable. He is Reality. We cannot deny Him without denying the principle of our own fulfilment. A secular world order is prey to the devil. This is impasse we are in. We are ruled by a satanic cult.

Some things we can do: 1) boycott the mass media; 2) "out" politicians, teachers and media figures who are pushing the freemason agenda; 3) refuse to hate other people or fight other countries; 4) celebrate the things the Masons hate -- nationhood (internationalism causes war) heterosexual identities, nuclear families, Christianity and God.
